THE INFORMATION CONTAINED IN THIS DRAWING IS THE SOLE PROPERTY OF TPM PRODUCTS, INC. ANY REPRODUCTION IN PART OR AS A WHOLE WITHOUT THE WRITTEN PERMISSION OF TPM PRODUCTS, INC. IS STRICTLY PROHIBITED.

INSTRUCTIONS:

- These dimensions represent actual brake kit so make sure the print out is 1:1 scale.
 You may have to adjust the printing scale of your printer to 103% for the true dimensions
 Cut out the template and glue to a rigid carborad.
 Place the carboard agsinst the corner of wheel hub center hole.
 A minimum of 3mm clearance is recommend for the wheel barrel and spoke.
